

Important Notice on behalf of  **PSE&G**

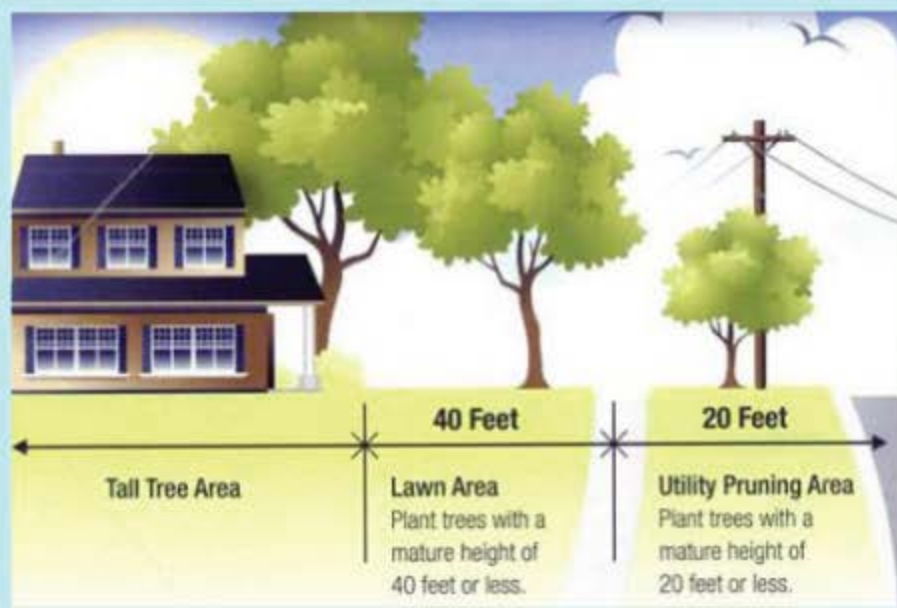

Your trees could cause a power outage...

Dear PSE&G customer,

Some trees on your property near our power lines require maintenance. Keeping the power lines clear is necessary to ensure safe and reliable electric service. PSE&G needs your assistance to access these trees.

All necessary tree work will be done without expense to the property owner. The work will be done by experienced tree trimmers who are certified line clearance contractors.

DAVEY TREE EXPERT CO. will be in Watchung from August to December.
